

How do you apply for an unsolicited position at Danish Crown?

We receive all applications electronically via our job portal: [Jobs at Danish Crown \(jobs.Danish.com\)](https://jobs.Danish.com)

Step 1: You can search using the keyword “Unsolicited” or find the desired work location, or you can view all jobs by clicking on the “Productions” icon.

A screenshot of the Danish Crown job portal interface. The header features the Danish Crown logo on the left and "Language" and "View profile" links on the right. Below the header is a dark teal search bar with two input fields: "Search by Keyword" and "Search by Location", and a green "Search Jobs" button. Below the search bar is a grid of ten dark teal buttons with white text, arranged in two rows of five. The first row contains: "Administration", "Finance, Tax & Legal", "HR, Marketing & Communication", "IT", and "Management & Strategy". The second row contains: "Procurement & Sales", "Production", "QEHS", "Supply Chain", and "Technical & Engineering". Three red circles and arrows highlight specific elements: one circle around "Unsolicited" in the text above points to the "Search by Keyword" field; another circle around "work location" points to the "Search by Location" field; and a third circle around "Productions" (note the spelling in the image) points to the "Production" button in the second row.

Step 2: You now open the job posting by clicking on the job title.
